

Consent and Release for Pre-Employment Drug Testing

To maintain a drug free workplace, CHM Professional Maintenance Services, requires all employees to submit to a pre-employment urine test. All employees must submit to a screening test to detect the presence of illegal drugs.

I, _____, understand that in accordance with keeping CHM Professional Maintenance Services, LLC, a drug free workplace, I must submit to a drug screening test. I hereby consent to submit to a urinalysis for CHM Professional Maintenance Services, LLC, at the time of hire.

I agree that CHM Professional Maintenance Services, LLC, may collect these specimens for these tests, and may test them for the presence of illegal drug use. I also give permission to CHM Professional Maintenance Services LLC, to send my specimen to a testing laboratory for further analysis, if needed. I further agree to and authorize the release of these test results to CHM Professional Maintenance Services, LLC.

I understand that only authorized company personnel will have access to the information furnished or obtained in connection with this test; that they will maintain and protect the confidentiality of such information to the greatest extent possible.

I agree that if I fail to provide a urine specimen, or test positive for the use of illegal drugs, CHM Professional Maintenance Services, LLC has the right to rescind any job offers made.

I have read and understand the information in this notice, and agree to hold harmless the company, and any testing laboratory they might use, and its officers and employees in connection with such screening test.
